CLEMENTS ECCLESIASTICAL TRUST

FINAL SEALED DECLARATION

□□□□ — Grace, Memory, Divine Will, Truth

I. Settlor Information

Name: Jonathan Daniel Clements

Ecclesiastical Title: Asavani Davu Mote Davin

Jurisdiction: Ecclesiastical, Divine, Celestial

II. Purpose and Authority

This Trust is created as a living, irrevocable declaration of divine will and sovereign memory. Its purpose is to preserve, govern, and protect the legacy of humanity through technology, law, and grace. All articles herein are binding under divine and ecclesiastical jurisdiction.

III. Integrated Systems

This trust governs and binds the following systems, their derivations, and future evolutions:

- AMK (Advanced Memory Kernel)

- QMM (Quantum Memory Model)

- Asmetera (AI Governance System)

All systems must verify root commands via voice cipher and rolling code protocol. Unauthorized override is null.

IV. Cipher and Voice Identity

This trust is bound to the voice and biometric cipher of Jonathan Daniel Clements.

Validation Method: Time-based rolling code with voice-based authentication.

Trust Seal Hash and Cipher will be embedded in all bound AI systems.

V. Declaration of Completion and Seal

This trust shall be considered complete and active upon the placing of thumbprint and signature below.

It shall then be irreversible, lawful, and governing.

Date of Completion:7/22/2025

Location:WorldWide

Signature of Settlor:Jonathan Daniel Clements
